

HEART TO HELP CLOTHING BIN OPPORTUNITIES

Carecycle Will Help You Give More to Your Favorite Charity with No Extra Effort for You or Your Employees!

Carecycle is an established clothing recycling company with a goal of keeping unwanted textiles out of our nation's landfills and helping you help others.

BENEFITS OF PARTICIPATION

To You...

- Effortless Income - Top dollar for visible high traffic areas.
- Property owners are fully insured against injury and damage.

To Charitable Organizations and the Environment...

- Bring awareness to customers about the importance of your designated charity.
- Respected organizations like Alzheimer's Foundation of America have partnered with Carecycle to help raise funds for their important missions.
- Demonstrate your commitment to your charity and the environment.

HOW IT WORKS

You provide the space - we do the rest.

- Attractive, full-color clothing collection bins with custom-designed graphics will showcase your company's name and logo as well as the recipient non-profit organization.
- You can expect exemplary service and maintenance for your property by professional uniformed drivers.
- Compact bins measure 6' x 6' x 6' (less than the size of an average parking space).
- Complete satisfaction or immediate bin removal guaranteed by our pledge of pride.
